

Next Uniform: Teachers, be more human

written by Ardchawit Inha | November 14, 2021

“Clothing is just a basic necessity of humans. It doesn’t decrease or increase my quality as a teacher.” This is an ad for the “Next Uniform” campaign for Khon Kaen University students who want people to look at people equally and not evaluating them by their clothes.

This video is a part of The Isaan Record’s 2nd edition of Citizen Reporters’ “Introductory Video and Documentary” program.
