

# **In search for enlightenment: Life of communists in the mystical forest of Dong Phra Jao**

written by Ardchawit Inha | October 26, 2022

Ardchawit Inha story and video editing

It was also where locals were educated politically, and was a critical and important point in the political development in Isaan.

The Isaan Record visits the site to learn about the life of those who searched for enlightenment, living as communists in the vast forest; those who reflect on what they learned after living in Dong Phra Jao.
