

Thongchai Winichakul: A message to the court, Thai society and the young generation

written by Ardchawit Inha | November 14, 2022

In Thai society, there are few Thai scholars who remain hopeful. One of them is Prof. Dr. Thongchai Winichakul, a former lecturer at the University of Wisconsin, Madison, USA, points to a way out for Thai society, once again in a time of crisis. The media needs to reinvent itself, and truly become professional.
