

Prated Ubon : Telling the stories of ordinary people

written by กองบรรณาธิการ | August 30, 2023

The Facebook page, “Prated Ubon,” is an example of the success of impressive content creators from Ubon Ratchathani province. Racking up over 300,000 followers, the page is run by a team of young people who tell local stories in a fun and accessible way. Prated Ubon also has a strong will and dedication to bring happiness to local people and put an emphasis on the importance of giving voice to ordinary people. They hope to bring about changes that will improve their hometown.
